

Acoustical Society Foundation Fund

The Acoustics Trust

The *Acoustics Trust* is a special group of ASA members and supporters who have agreed to provide for the Acoustical Society's philanthropic activities in their wills and estate plans. There are several ways to make a bequest to the Acoustical Society Foundation Fund. You may leave the Acoustical Society Foundation Fund a specific dollar amount, a percentage of your estate or a portion of the residual of the estate after you have provided for those close to you. Each person's legal and financial situation will differ, and the laws applicable to estates and trusts vary from state to state. Accordingly, it is important that you consult with a professional advisor or attorney as you consider a gift to the Acoustical Society Foundation Fund in your estate plan.
