

## ASA Membership Directory Search

- Use of the ASA Membership Directory signifies that you have read and agree to the terms and conditions stated in our [User Agreement](#)
- Select 'Manage Addresses' from the left navigation to update your ASA Directory address or add an address to be published in the ASA Membership Directory
- Enter only one search term in each entry box. For example, when searching by name enter only the first name or the last name in the top box—not both. Results can be refined by using the second search box.
- If you are searching for a two-part last name, enter a space between the names—not an asterisk.
- To complete the search, use the Search button. Do not use the Enter key.

An \* to the left of a name indicates a Fellow. Lowercase letters within the parentheses after each name indicate the grade of membership: **a** = Associate, **f** = Fellow, **m** = Member, **s** = Student and **e** = Emeritus. Capital letters within the same parentheses indicate the three main acoustical fields of interest specified by the member.

<b>A</b> Architectural Acoustics	<b>H</b> Speech Communication
<b>B</b> Engineering Acoustics	<b>J</b> Underwater Acoustics
<b>C</b> Musical Acoustics	<b>K</b> Biomedical Acoustics
<b>D</b> Noise	<b>L</b> Animal Bioacoustics
<b>E</b> Physical Acoustics	<b>M</b> Acoustical Oceanography
<b>F</b> Psychological and Physiological Acoustics	<b>N</b> Signal Processing in Acoustics
<b>G</b> Structural Acoustics and Vibration	<b>O</b> Computational Acoustics
