

The Frank and Virginia Winker Memorial Scholarship for Graduate Study in Acoustics

General Application Information

1. **ELIGIBILITY.** To be eligible for the Scholarship an applicant must be a citizen of the United States of America enrolled in any college or university in the United States and who must be pursuing research toward a graduate thesis project in Architectural Acoustics, Noise Control, or Engineering Acoustics. Engineering Acoustics, for the purposes of the Winker Scholarship, includes: Applications of linear and nonlinear acoustics, transduction and transducers, acoustical measurements, instrumentation, and applications of signal processing to any of the aforementioned areas.

Qualification for the Scholarship requires submission of an application form with a description of a planned course of study including the reasons why this field of study is being pursued.

Three reference letters shall be provided from persons familiar with the student's work. One letter shall be from the student's graduate advisor or major professor. At least one of the other two letters shall be from an associate or full member of the Acoustical Society of America. These shall be submitted directly from each reference to the ASA.

Membership in ASA is not required. If the recipient is not an ASA member at the time the award is made, a complimentary one-year student membership in ASA will be awarded as a part of the Scholarship.

2. **CRITERIA FOR THE SCHOLARSHIP.** The recipient of the Scholarship will be that individual who, through personal qualifications and a proposed research topic, is judged to exhibit the highest potential for performing work benefitting the science of acoustics and the study of sound and promoting its usefulness to society.
3. **ADMINISTRATION.** The recipient of the award will be notified by 1 June 2023. The amount of the 2023 award will be \$10,000 paid in two installments directly to the student after confirmation of acceptance.
4. **DEADLINES.** Applications for the 2023 Scholarship shall be submitted by 13 March 2023. Applications received after 13 March 2023 will not be accepted. Reference letters shall be submitted directly to the ASA Office by the student's references and are due by 13 March 2023. Incomplete scholarship applications will not be considered.
5. **APPLICATION PROCEDURES AND ADDRESS.** Applications and reference letters shall be submitted electronically to the Acoustical Society of America, 1305 Walt Whitman Road, Suite 110, Melville, NY 11747-4300, (516) 576-2360. Email: asa@acousticalsociety.org

The Frank and Virginia Winker Memorial Scholarship for Graduate Study in Acoustics

Application Form

1. Applicant's Name _____

2. Address

_____ phone _____
_____ mobile _____
_____ e-mail _____

3. Are you a Citizen of the United States of America? Yes No

4. Undergraduate and Graduate Education

a. Undergraduate

Institution _____

Department / Degree received _____

Date of Graduation _____ Grade Point Average (4 point scale) _____

b. Graduate

Institution _____ Dept. _____

Department / Degree _____

Date of Graduation _____ Grade Point Average (4 point scale) _____

5. References (3 required)

a. From your major professor/advisor:

Name _____

Address _____

Phone _____ e-mail _____

b. From a member or associate member of the Acoustical Society of America:

Name _____

Address _____

Phone _____ e-mail _____

c. From an acoustics professional or other person familiar with your work:

Name _____

Address _____

Phone _____ e-mail _____

The Frank and Virginia Winker Memorial Scholarship for Graduate Study in Acoustics

Applicant's Name: _____

6. Supporting Information
 - a. Proof of enrollment in an academic program for Architectural Acoustics, Noise Control, or Engineering Acoustics.
 - b. Listing of present and recent employment, including job titles, locations, and dates
 - c. Honors, scholarships, awards and society affiliations
 - d. Publications and/or Presentations in the field of Architectural Acoustics, Noise Control, or Engineering Acoustics.
 - e. Transcripts (Unofficial transcripts can be provided for the application; Official transcripts will be required if selected as a scholarship recipient.)
7. Documentation required prior to receipt of Scholarship
 - a. Official copy of all undergraduate/graduate transcripts.
 - b. Evidence of US citizenship (Official Birth Certificate, US Passport, Naturalization certificate).
8. Please provide an essay of no more than 1000 words that addresses the following topics:
 - a. What is your history related to Architectural Acoustics, Engineering Acoustics or Noise Control?
 - b. What practical experience and coursework that led to pursuing this degree?
 - c. Why did you choose Architectural Acoustics, Engineering Acoustics or Noise Control?
 - d. What do you think your career path will be for the future?
 - e. Is there a regional ASA chapter at your university? If so, how are you involved with the chapter?
 - f. A description of your proposed research topic.
 - g. What makes you the best choice for this scholarship?

Please include your name at the top of the essay page. This and the aforementioned Supporting Information and Documentation may be attached to the Email automatically generated using the "Submit by Email" button below.

9. Applicant Signature

_____ Date _____
