

### Acoustics Sydney 2023 4-8 December 2023

## **Application for Student Travel Funding**

**Application Deadline: 31 May 2023** 

The Acoustical Society of America (ASA) announces the availability of travel funding to students who attend the joint meeting of the Acoustical Society of America, Australian Acoustical Society, Western Pacific Acoustics Conference, and the Pacific Rim Underwater Acoustics Conference to be held 4-8 December 2023 in Sydney, Australia.

**Eligibility**: Applicants must be full-time students enrolled in universities in North America studying any field of acoustics and who will be students at the time of the meeting. Both graduate and undergraduate students are eligible to apply.

**Award**: The funding is USD\$1,000.00 for reimbursement of travel expenses (e.g., air fare, hotel, ground transportation) to attend the joint meeting.

**Expectations of Grant Recipients:** Recipients will be expected to attend the joint meeting and an Open Meeting of one of the ASA Technical Committees that will be held at the meeting. The recipient is required to submit an ASA Travel Expense Reimbursement form after the meeting to receive reimbursement.

**Evaluation and Selection Process**: Applications will be reviewed and evaluated by a subcommittee of the Acoustical Society Foundation Fund. The primary criteria for selection will be the applicant's pursuit of study in the field of acoustics and other factors such as being an author on an abstract presented at the meeting, and review of the Student Transportation Funding Application and c/v.

Applications must be made on the official application form and submitted along with a full c/v. The application should be submitted by e-mail in pdf format to <a href="mailto:elaine@acousticalsociety.org">elaine@acousticalsociety.org</a> not later than May 31, 2023. Successful applicants will be notified by 15 July 2023.
