Technical and Administrative Committees, Administrative Councils
and Journal Associate Editors
2023—2024

To Chairs and Members of ASA Committees and Journal Associate Editors

At its meeting in May 2023, the Executive Council approved your appointment to one or more ASA Committees or as a journal associate editor. We appreciate your willingness to participate in ASA activities.

This booklet contains lists of ASA committees appointed for the period June 2023-May 2024. It also contains the list of Associate Editors of JASA, JASA Express Letters, and POMA for the period 1 July 2023 to 30 June 2024.

You will find your name in the index of committee members which begins on page i. The page number(s) that appears next to your name refers to the page(s) that contains the Committee(s) to which you have been appointed.

ASA Rules pertaining to each Committee can be found in the enclosed booklet. The full rules of the ASA are posted on the ASA website at acousticalsociety.org.

If you have any questions or desire additional information, do not hesitate to contact me at asa@acousticalsociety.org.

Sincerely,

Susan E. Fox
Executive Director

FROM THE RULES OF THE ACOUSTICAL SOCIETY OF AMERICA

16. TECHNICAL COMMITTEES

16.1 Technical Committees and the Technical Council, see § 17 TECHNICAL COUNCIL below, are organized in accordance with the following provisions of the Society Bylaws:

Article VII. Technical Committees

The President, with the approval of the Executive Council, shall appoint the members of the Technical Committees, each of which shall be responsible for representing and fostering one of the fields of interest within the membership of the Society. The number and scopes of the Technical Committees shall be designated by the Executive Council. Each Technical Committee shall have a Chairman elected in a manner approved by the Technical Council from a slate of two or more candidates nominated by the Technical Committee. A Chairman shall serve for a term of three years and be eligible for re-election for additional terms, only one of which shall be consecutive.

Article VIII. Technical Council

The Technical Council shall consist of the Chairs of the Technical Committees, the Vice President, the Vice President-Elect, and as ex-officio members without vote, the immediate past Vice President, the Chairs of technical groups appointed by the President, and the other officers of the Society. The Technical Council shall be responsible for coordinating the policies and activities of the Technical Committees and technical groups, and advising the Executive Council by formal resolutions on matters of policy concerning technical considerations. The Technical Council shall be presided over by the Vice President, or in his or her absence, by the Vice President-Elect.

16.2 The Technical Committees and Technical Groups provide the main channels of communication between members active in various acoustical fields and the Executive Council, via the Technical Council.

16.3 Sections 16 and 17 of these Rules may be amended by approval of a two-thirds majority of the voting members of the Technical Council, provided that a quorum exists and that advance notice of any proposed amendment is given to all its members at least ten days before a vote on the amendment is taken, and the amendment is subsequently approved by a simple majority of the voting members of the Executive Council actually present and voting. The Executive Council may not change the provisions of Sections 16 or 17 of these Rules without prior approval of the Technical Council.

16.4 Technical Fields. Current Technical Committees (also Technical Groups, see Sections 18 and 19 of these Rules) along with their scopes are listed in Appendix A following these Rules. The Subject Titles and PACS numbers used in the Journal for the technical fields falling within the scope of each Committee are listed in Appendix B.

16.5 Scopes of Committees. Each Technical Committee (and Technical Group) defines the scope of its technical fields of interest, subject to approval by the Technical Council and the Executive Council. A Committee may modify its scope or its title, subject to approval by the Technical Council and the Executive Council.

16.6 Membership. All members of each Technical Committee shall be members of the Society of any grade appointed by the President with the approval of the Executive Council, based on nominations made by the Chair of the Technical Council. Appointments shall be for renewable terms of three years, unless otherwise specified, with the terms of approximately one-third of the members of each Committee ending each year. The number of voting members of each Committee may be determined by the Committee itself subject to approval by the Executive Council. The selection of Committee members should attempt to maintain a reasonable distribution within each Committee of members associated with academia, industry and government, and a reasonable distribution of members associated with the various subfields within the scope of the Committee. In addition to voting members, each Committee shall include, as ex-officio members, its representatives on the Committee on Medals and Awards, the Membership Committee, ASACOS, and the Student Council.

16.7 Chairs. Each Technical Committee shall have a Chair elected from a slate of two or more candidates in a manner determined by each Technical Committee and approved by the Technical Council, in accordance with Article VII of the Bylaws. If a premature vacancy occurs in the Chair of any Technical Committee, the President in consultation with the Chair of the Technical Council shall appoint a Chair to serve the remainder of the unexpired term (see § 6.10).

16.7.1 Responsibilities. The Chair of a Technical Committee shall be responsible for all activity of the Committee including:

$\$ maintaining a vigorous program of technical activity;
$\$ appointing Chairs of subcommittees to assist in fulfilling the duties of the Committee, see § 16.7.2;
$\$ submitting nominations for individuals to serve as members of the Committee, see § 16.8;
$\$ suggesting individuals to represent the Committee in other Society committees and activities, see § 16.9;
$\$ organizing technical sessions for Society meetings, see § 16.9.1; assigning a representative of the Committee to serve on the Technical Program Organizing Committee for each meeting of the Society, see § 31.6;
Technical Committee (and Technical Group) Chairs shall be listed below. Specific activities representing and fostering one of the fields of interest that each Technical Committee shall be responsible for rests with the Chairs of the Administrative Committees. The Chairs of the Technical Committees (but not those of the Technical Groups) may also suggest new Committee Chairs or other assigned Committee members. Nominations for Technical Area Awards, including the Silver Medal and various named awards, originate in the Technical Committees.

16.7.2 Delegation. A Technical Committee may designate whatever Committee officers in addition to its Chair that it deems appropriate. It is desirable that each Committee Chair appoint a Subcommittee Chair for Program Planning, who may also serve as Vice Chair of the Committee and preside in the absence of the Chair. Other Subcommittee Chairs may be appointed to select candidates and prepare dossiers for Fellowship and awards of the Society. Published lists shall identify only the Committee Members and the Chair.

16.8 Nominations. Every year, upon call from the Chair of the Technical Council, but not later than 31 January, the Technical Committee (and Technical Group) Chairs shall submit nominations for new members of their respective Committees. The Chairs of the Technical Committees (but not those of the Technical Groups) may also suggest new representatives of their Committees to the Chairs of the Administrative Committees on Medals and Awards, Membership, the Student Council, and ASACOS, although primary responsibility for nominating these representatives rests with the Chairs of the Administrative Committees.

16.9 Responsibilities. Article VII of the Bylaws specifies that each Technical Committee “... shall be responsible for representing and fostering one of the fields of interest within the membership of the Society.” Specific activities of each committee within this general responsibility are listed below.

16.9.1 Shall organize regular technical sessions, special sessions and symposia for Society meetings, to inform the membership of new technical developments and problems within the scope of the Committee. May propose a Distinguished Lecture for approval by the Technical Council. Sessions and Lectures are ordinarily organized six to twelve months in advance of a meeting and announced in the Call for Papers for the meeting. (Information about Distinguished Lectures appears on the ASA website) Special sessions honoring individuals by name require approval, in advance, by the Executive Council, see § 16.11.

16.9.2 Shall assign a representative to the Technical Program Organizing Committee to participate in scheduling the technical sessions for the regular Society meetings (see § 31.6).

16.9.3 Shall provide a forum for informal discussions of current technical problems and developments, and for discussions of non-technical matters affecting the activities of the Society and its members.

16.9.4 When Technical Committees have overlapping interests, joint technical sessions and other joint activities shall be coordinated by the Committee Chairs or other assigned Committee members.

16.10 Meetings. Technical Committees ordinarily hold meetings twice each year, during the regular spring and fall meetings of the Society.

16.11 Reports. Each Technical Committee Chair shall prepare a brief written report to be submitted to the Technical Council at its regular spring and fall meetings, describing the Committee’s activities since the previous report, and preferably not exceeding 200 words. Oral presentations at the meeting may be more detailed. An annual report of the Committee’s activities shall be prepared by each Committee Chair for publication in the Journal and submitted to the JASA Associate Editor for “Acoustical News” by 20 June each year.

16.12 Expenses. Miscellaneous small expenses incurred in connection with Committee business for postage, telephone, stationery, etc., may be reimbursed by the Society at the discretion of the Society Treasurer. Reimbursement for substantial expenses shall be made by the Society only if approved by the Treasurer in advance of the expenditure. The cost of travel and subsistence incurred in connection with Technical Committee business shall not be reimbursed by the Society.

16.13 Awards. Nominations for Technical Area Awards, including the Silver Medal and various named awards, originate in the Technical Committees.

16.13.1 Technical area awards are customarily presented at the regular fall meetings of the Society, except that the Helmholtz-Rayleigh Interdisciplinary Silver Medal is presented at the spring meeting. The Chair of a Technical Committee desiring to have an Award presented in the technical area within its scope at a particular fall meeting shall submit nominations for three candidates believed to meet the qualifications for the Award to the Chair of the Committee on Medals and Awards, not later than six weeks in advance of the first day of the preceding regular spring meeting of the Society. The nominations shall indicate the relative ranking of the three candidates by the Technical Committee, and be
Within the general responsibilities of each Technical Committee (see § 16.9) accompanied by dossiers and proposed citations for each of the candidates on forms provided by the Committee on Medals and Awards. Submission of dossiers shall be coordinated with the representative of the Technical Committee.

16.13.2 All Technical Committees may nominate candidates for the Silver Medal, see also § 16.13.5. The Technical Committees on Architectural Acoustics, Psychological and Physiological Acoustics, Structural Acoustics and Vibration, and Underwater Acoustics may nominate candidates for the Sabine, von Békésy, Trent-Crede, and Pioneers of Underwater Acoustics Medals, respectively, or alternatively for the Silver Medal, but not for both awards in the same year.

16.13.3 The maximum number of Technical Area Awards in any calendar year is four. The minimum interval between Technical Area Awards in each technical area is governed by Procedures of the Committee on Medals and Awards, see Note following § 32.5.

16.13.4 Nominations for Technical Area Awards shall not be entertained for candidates who have previously received a Society award in the same technical area, or who are members of the Committee on Medals and Awards at the time the nomination is made or acted upon, or for deceased persons whose death occurred more than one year before the month that the award is to be conferred.

16.13.5 Candidates for the Helmholtz-Rayleigh Interdisciplinary Silver Medal shall ordinarily be supported, and submitted jointly, by the Chairs of two or more Technical Committees. A single dossier is required, and is to be submitted not later than six weeks in advance of the previous regular fall meeting of the Society. A proposed citation and other information should be submitted on forms provided by the Committee on Medals and Awards, see §16.13.1. A Technical Committee supporting a candidate for the Helmholtz-Rayleigh Interdisciplinary Silver Medal is not excluded from nominating candidates for a technical area award in the same year, see § 16.13.2.

16.13.6 When a Technical Committee representative on the Committee on Medals and Awards will be absent from a meeting of that committee, the Chair of that Technical Committee may assign an alternate, preferably a past representative to the Medals and Awards Committee or the Chair of the Technical Committee, himself or herself. The replacement must be a Fellow of the Society. The alternate will not have voting privileges unless he/she is a past representative from the relevant technical committee to the Medals and Awards Committee.

16.14 Technical Initiatives. Within the general responsibilities of each Technical Committee (see § 16.9) proposals for new activities shall be submitted to the Technical Council for approval, and funding shall be approved by the Technical Council under the Technical Initiatives Program. When the same or similar initiatives are undertaken by several Technical Committees, the resulting program shall be coordinated by the Technical Council, see § 17.3.

16.15 Amendment of Procedures. Each Technical Committee may establish and amend its own procedures for conducting its business, subject to approval by the Technical Council.

16.16 Disestablishment. A Technical Committee may be dis-established, or changed, in accordance with § 17.6.

17. TECHNICAL COUNCIL

17.1 Members. The Technical Council shall be composed of the Chairs of the Technical Committees, the Vice President, the Vice President-Elect, and ex-officio, the immediate past Vice President, the Chairs of each Technical Specialty Group and Interdisciplinary Group, and the other officers of the Society. The President may appoint non-voting representatives to the Technical Council, with the approval of the Executive Council and Chair of the Technical Council, to provide liaison with other organizations or administrative committees of the Society. Two such appointments shall include the Vice Chair of ASACOS to provide liaison with the standards program of the Society, and the Chair of the Committee on Meetings to facilitate the planning of meetings.

17.2 Officers. The Vice President shall be the Chair and presiding officer of the Technical Council. In the Vice President’s absence, the Vice President-Elect shall preside. The Executive Director shall act as secretary of the Technical Council and shall prepare and circulate minutes of its meetings. In the absence of the Executive Director, the Chair shall designate another person, preferably the Office Manager of the Society, to serve as the secretary of the Technical Council pro tempore.

17.3 Responsibilities. The Technical Council coordinates the activities and policies of the Technical Committees. Similar technical initiatives undertaken by several Technical Committees shall be coordinated by the Technical Council and procedures for such initiatives should be formalized as far as possible in order to ensure uniformity across technical areas. The Technical Council approves resolutions and recommendations on matters of policy involving technical matters, which are brought to the attention of the Executive Council by the Vice President as Chair of the Technical Council. The Technical Council provides liaison within the Society on technical matters of joint interest.

17.3.1 Upon request by the Chair of the Acoustical Society Foundation Board, the President may appoint, in consultation with the Chair of the Technical Council, one or more representatives from the Technical Council to participate, without vote, in
Foundation discussions of the purpose and acceptability of a restricted gift being offered to the Society.

17.4 Communication. The Technical Council serves as a means of communication among the Technical Committees and Technical Groups and unifies and coordinates their activities. The Technical Council is the main channel of communication between the Technical Committees, Technical Groups and the Executive Council.

17.5 Meetings. The Technical Council ordinarily meets twice each year on the first and last days of the regular spring and fall meetings of the Society.

17.6 Consideration of Status of Technical Committees. The Technical Council shall reconsider the status of a Technical Committee if two successive biennial surveys of the technical interests of Society members each show that the number of individual Society members with a primary interest in the Technical Committee has fallen below two percent of all individual Society members, and there have been no special sessions at meetings sponsored by the Technical Committee within the past two years or other evidence of its activity. The Technical Council, by a two-thirds majority of all voting members, shall decide either to disestablish the Technical Committee, convert it to a Technical Specialty Group, amalgamate it with another Technical Committee, or encourage the Technical Committee to increase its support or technical activity by the time of the next biennial survey of members’ interests.

17.7 Mail Ballots. The Technical Council may conduct mail ballots between meetings, using the same procedures and under the same conditions as apply to the Executive Council, see § 2.6.

Computational Acoustics (CA)
• Numerical methods for acoustic wave propagation, scattering, structural interactions, and other acoustically related phenomena.
• Optimization, parallelization, and acceleration of computational algorithms.
• Validation, benchmarking, and uncertainty analysis in computational models.
• Computational learning methods, data analytics, and visualization.
• Practical utilization of acoustical computations for engineering and noise control, and integration into other simulations.

**Engineering Acoustics (EA)**

Engineering Acoustics encompasses the theory and practice of creating tools for investigating acoustical phenomena and applying knowledge of acoustics to practical utility. This includes the design and modeling of acoustical and vibrational transducers, arrays, and transduction systems in all media and frequency ranges; instrumentation, metrology, and calibration; measurement and computational techniques as they relate to acoustical phenomena and their utility; and the engineering of materials and devices.

Noise (NS)

To increase and diffuse knowledge of noise generation and propagation, passive and active noise control, perception and the effects of noise, and the management of exposure to noise. Activities of the Committee embrace the practical and theoretical aspects of noise in all areas of acoustics. Specific topics of interest include:

Measurement, prediction, and modeling of noise and vibration
- Soundscapes, urban and natural
- Product sound quality
- Classroom acoustics
- Quiet system design

- Occupational and recreational exposure to noise
- Speech privacy
- Legal aspects of noise
- Codes and standards

Physical Acoustics (PA)

Physical Acoustics lies at the heart of all acoustics. The Physical Acoustics Technical Committee is concerned with fundamental acoustic wave phenomena from infrasonic to ultrasonic frequencies. Theoretical, computational, and experimental approaches are used. Topics being investigated by its members include:

* Use of acoustics in probing the physical properties of materials and other systems with relevance to physics and geophysics
* Sound and vibrations in fluid-filled media, including porous media
* Thermoacoustics
* Propagation of sound in planetary atmospheres
* Nonlinear acoustics and shock waves in gases, liquids, and solids
* Cavitation phenomena in physical and biological media
* Interaction of sound with light and other forms of radiation
* Attenuative processes and dispersion of sound

**Psychological and Physiological Acoustics (PP)**

The Technical Committee on Psychological and Physiological Acoustics is concerned with the investigation and the dissemination of information about psychological and physiological responses to sound in humans and other species. Areas of interest include, but are not limited to:

1) Perception and perceptual organization of simple and complex sounds, including speech
2) Anatomy and function of the auditory pathways, including all physical and biological responses to auditory stimulation
3) Hearing disorders, hearing loss, and auditory prostheses
4) Vibrotactile and vestibular sensation, and the interaction of hearing with other sensory modalities
5) Developmental, aging, learning and plasticity effects in auditory function
6) Theories and models of auditory processes

Signal Processing in Acoustics (SP)
1. Foster interdisciplinary interaction among all TCs in matters pertaining to signal processing in acoustics.
2. Organize technical sessions on the broad principles of signal processing in acoustics.
3. Develop initiatives and enhance interest and activity in signal processing in acoustics.
4. Provide a contact point for inquiries, recommendations, and information both within and outside the Society on signal processing in acoustics.
5. Provide a forum for discussion of technical, organizational, and other issues related to signal processing in acoustics.

**Speech Communication (SC)**

Concerned with the study of the production, transmission, and perception of speech, including the following:

1. Speech production: physiology, mechanics, and acoustics of speech and voice production; models of speech production; first-language and second-language speech production
2. Acoustic phonetics, including segmental and suprasegmental aspects of speech
3. Speech perception: physiological and psychological aspects of speech perception; voice quality perception; models of speech perception; first-language, cross-language, and second-language speech perception
4. Speech acquisition: acquisition of speech production and perception; first-language and second-language speech acquisition; models of speech acquisition
5. Speech and hearing disorders: effects of speech production disorders on the articulation, acoustics, and perception of speech; effects of hearing impairment on speech perception and production; effects of aided hearing or speech (e.g., hearing aids, cochlear implants, electrolarynx) on speech perception and production
6. Neuroscience of speech production and perception
7. Speech intelligibility: perception and intelligibility of accented, disordered, and synthetic speech, and of speech degraded by noise or transmission channel; production and perception of speech in acoustically adverse environments
8. Communicative aspects of singing: production and perception of phonetic or emotional content in song
9. Speaker classification and speaker identity: articulatory, acoustic, and perceptual properties of speech linked to a speaker’s sex, gender, age, and emotional state; sociophonetics; speaker, language, and dialect recognition by humans and machines; forensic voice comparison
10. Audiovisual and other multimodal speech perception
11. Speech processing and speech technology: signal processing of speech; speech synthesis; automatic speech recognition

Structural Acoustics and Vibration (SA)

Structural Acoustics is the study of the interaction of vibrating structures with adjacent fluid along with the accompanying radiated or scattered sound. Structural Vibrations is the study of the linear and nonlinear vibration of structural components and waves in solid media. One aim of TCSA is to advance the field of SAV through presentations at ASA meetings, invigorating interactions that occur during those meetings and through archival publication in JASA. In addition, we are interested in encouraging young engineers/scientists to participate in ASA meetings. One mechanism is student paper awards. Applications of research outlined in the technical areas of SAV are found in a number of compelling and important applications that affect our health, safety, as well as the effectiveness of the products we engineer.

Topics of interest include:

- Prediction of SAV
  - Analytic techniques
    - Exact and approximate
    - Hybrid analytic-numeric
    - Statistical energy analysis
  - Inverse methods (e.g., estimating structural response from the measured sound field and the radiated/scattered field from structural measurements)
  - Nearfield acoustical holography (NAH)/Statistically optimized NAH (SONAH)

- Control of SAV:
  - Active control
  - Passive control with optimization, treatments, and material selection

- Advanced instrumentation for SAV:
  - Accelerometers, geophones, and structural intensity sensors
  - Optical (e.g., laser Doppler velocimetry)
  - Power harvesting

- Numerical SAV
  - Finite element methods
  - Boundary element methods

- Benchmark comparisons of predications to experiments
  - Modal Analysis

- Finite element model updating (using measurement to update the FE model).

- Design methodology for vibration control
- Smart structural methods

Underwater Acoustics (UW)

Underwater Acoustics TC is focused on sound-wave phenomena in the ocean and seabed, with primary emphasis on the following topics:
1. Propagation phenomena: steady-state and transient solutions of the wave equation, including boundary effects, and seismoaoustics.
2. Scattering and reverberation: characterization and quantification.
3. Ambient noise: noise sources, spectra, directionality, and spatial/temporal fluctuations.
4. Signal processing and sonar algorithms, with emphasis on the detection of signals in noise and statistical analysis.
5. Underwater acoustic instrumentation

22. ACOUSTICAL SOCIETY FOUNDATION BOARD (ASFB)
22.1 Charged with assisting the Executive Council in acquiring, maintaining, and ensuring the correct expenditure of endowment funds, making annual specific dollar recommendations for awards and other Society activities, fund raising activities, and negotiating with prospective donors to the Society.

22.2 Additionally charged with ensuring Executive Council cognizance of the continuing opportunities, conditions, and restrictions of agreements with donors to the Society and to the former independent Acoustical Society Foundation.

22.3 Composed of approximately seven to nine members, including the Chair and the Treasurer as an ex-officio member. Other officers of the Society and voting members of the Executive Council shall not be members. Members are appointed for renewable terms of three years on a schedule that avoids many replacements at any one time. The Chair shall be a fellow of the Society with previous experience on the ASFB or the Executive Council.

22.4 The Chair shall be the presiding and administrative officer of the ASFB and shall report directly to the Executive Council at every regular meeting of the Society.

22.5 The Chair of the ASFB shall be a member of the Investments Committee and no more than one additional member of the ASFB shall serve simultaneously on the Investments Committee, and those persons shall not serve as the Chair of the Investments Committee (see § 34.2). The Chair of the AFSB shall be a non-voting, ex officio member of the Audit Committee described in § 26.2.

22.6 The Chair, or a designate, shall serve as the initial Society representative in negotiations between the Society and a prospective donor or contributor. Throughout negotiations, the Chair shall ensure that planned gift policies of the ASFB are respected.

22.7 Meetings of the ASFB, with preliminary agenda submitted by the Chair in advance, shall occur at least twice per year, normally at regular Society meetings.
24. COMMITTEE ON ARCHIVES AND HISTORY

24.1 Charged with determining and developing cost-effective management procedures for the documentation, collection, storage, maintenance, and use of archival and historical collections of the Society, and implementing those procedures as authorized by the Executive Council.

24.2 Composed of a Chair and other members.

24.3 Activities of the Committee shall include the tracking, and when possible the consolidation, of the currently scattered archives of various technical committees.

24.4 A specific and continuing activity of the Committee is to ensure the preservation and availability of artifacts and documentary materials for review and possible use during future anniversary meetings of the Society.

Ex officio:
William M. Hartmann, Series Editor of Modern Acoustics and Signal Processing
James F. Lynch, Editor-in-Chief
Arthur N. Popper, Series Editor of Springer Handbook of Auditory Research

25. ASA BOOKS
25.1 Charged to act as the Editorial Board for ASA Press books: obtaining, developing, reviewing, and recommending new books on acoustics related topics to be published according to an agreement with a commercial publisher. Books so published shall bear the imprint, "ASA Press."

25.2 Charged with considering and proposing to the Executive Council the republication of out-of-print books on acoustical topics and, in response to the needs of the Society, considering and proposing to the Executive Council publications not deemed appropriate for consideration as ASA Press books.

25.3 Composed of the Chair and at least eight other members appointed by the President in consultation with the Editor-in-Chief. The Editor-in-Chief shall be an ex-officio member. Other ex-officio members may include not more than three members identified by the commercial publisher.

25.4 The Chair shall be responsible for monitoring compliance with the agreement between the ASA and the publisher and for recommending any action related to the agreement or changes to the agreement to the Executive Council.

25.5 Prior to April 15 of each year, the Chair shall notify the Society Treasurer of ASA Press books published during the previous copyright year.

25.6 The Chair, or the Chair's designate, shall consult with the Chair of the Committee on International Research and Education to determine recommendations for the distribution of ASA Press books provided by the publisher at no cost in developing countries.

25.7 A proposal for a new book with the ASA Press imprint may be recommended for publication by the commercial publisher upon a two-thirds majority vote of the voting members of the Committee. The Chair shall inform the Executive Council of Committee decisions regarding ASA Press books. All other Board procedures shall be described in a publicly available document on the ASA website, consistent with the confidentiality required by the agreement with the publisher.

25.8 All proposals for the publication of books associated with the ASA shall be referred to the Committee for consideration and recommendation.
26. AUDIT COMMITTEE

26.1 Charged with assisting the Executive Council in fulfilling its financial oversight responsibility. The Committee reports directly to the Executive Council.

26.2 Composed of three members serving for staggered three-year terms, generally chosen from the elected Members of the Executive Council, but excluding all officers. The longest-serving member of the Committee shall ordinarily act as its Chair, and no individual shall serve as Chair for more than one year consecutively. In addition, the Treasurer and the Chair of the Acoustical Society Foundation Board shall be ex-officio members of the Committee. The chair may not simultaneously serve as the Chair of the Administrative Council on Financial Affairs.

26.3 To monitor the appropriateness and integrity of the Society’s financial reporting, accounting policies, and internal controls, the Committee shall meet annually with the Society’s independent auditing firm prior to the preparation of the final version of the annual auditor’s report. The Committee shall review the draft auditor’s report and the accompanying notes, as well as any opinions expressed by the Auditor and the Auditor’s “management letter,” and shall report its findings at a meeting of the Executive Council at least once per year. The meeting with the Auditor may be conducted via a teleconference, and may include those staff from the auditing firm who participated in the audit. The Committee also reviews the 990 tax return for correctness before it is filed by the Treasurer.

26.4 Based upon the findings mentioned in § 26.3, the Committee may make recommendations for modifications to ASA accounting practices for consideration by the Executive Council. The Committee shall evaluate the implementation of any modifications that have been adopted and provide a report at the first meeting of the Council following the scheduled implementation.

26.5 The Committee shall review the independence and performance of the Society’s independent auditors and may request modifications to procedures to the auditors and report these to the Executive Council. At intervals no greater than three years, the Committee shall request a copy of the peer-review report of the Auditor’s firm.

26.6 At intervals no greater than five years, the Committee shall consider whether or not to solicit independent audit proposals from the present Auditor and at least one other firm of auditors. The Committee shall instruct the Treasurer to solicit such proposals when warranted. Such proposals shall address the scope of the examination, services provided, reports rendered, and fees to be charged. The Committee shall make recommendations concerning the selection of auditors to the Executive Council no later than the year prior to the year of the audit. The firm auditing the Society’s financial records shall not be permitted to perform any other services for the Society during the period that it is the Society’s Auditor, or for one year thereafter.

26.7 The Audit Committee shall be authorized to employ professional counsel as it deems necessary to investigate or resolve situations where possible irregularities in the financial or accounting procedures have come to the attention of the Committee. Each year the Treasurer shall put contingency funds in the budget for this purpose.

**30. COLLEGE OF FELLOWS AND COLLEGE OF FELLOWS STEERING COMMITTEE**

30.1 Charged with promoting the continuity of the Society through the College of Fellows and supporting activities for the benefit of all its members. Activities of the College shall be approved by the Executive Council or may be requested by the Executive Council.

30.2 Activities of the College are organized and directed by a Steering Committee.

30.3 Consists of a Chair and up to twelve Fellows broadly representing all the technical areas of the Society, plus the President, Executive Director, a representative of the Student Council and up to three past chairs of the Committee as ex-officio members. Its members shall serve three-year terms and may be reappointed.

30.4 All Fellows of the Society are members of the College of Fellows.

28. **COMMITTEE ON EDUCATION IN ACOUSTICS**
28.1 Charged with exploring and proposing activities for improving and promoting education in acoustics at all levels, and implementing those activities approved by the Executive Council.

28.2 Arranges sessions at Society meetings to promote education in acoustics, and special events to involve local students. Appoints a representative to the Technical Program Organizing Committee when necessary, to handle organization of special sessions and events sponsored by the Committee.

28.3 The Chair serves as the Chair of the selection committees for the Rossing Prize in Acoustics Education and the Robert W. Young Award for Undergraduate Students and appoints additional members to these committees as specified in the award rules. The Chair also appoints judges to represent the Society at International Science and Engineering Fairs held in North America.

28.4 Composed of the Chair and other members. The Chair shall be an ex-officio member of the Committee on Regional and Student Chapters (see § 45.2).
Ethics and Grievances

Preston S. Wilson, Chair to 2025

Term to 2026  Term to 2025  Term to 2024
Christine H. Shadle  Michelle E. Swearingen  To be appointed

29. COMMITTEE ON ETHICS AND GRIEVANCES
29.1 Charged with reviewing the facts and recommending actions to the President relating to issues of ethics or grievances that have been referred to the Committee by the President. The Committee shall not consider any grievances by employees of the Society since they are covered separately by personnel procedures.

29.2 Composed of the Chair and at least three, but not more than six, additional Members or Fellows of the Society who shall be representative of the broad diversity of the Society’s membership. The Committee shall not include any current members of the Executive Council.

29.3 A member of the Committee who has a potential conflict of interest on a particular issue shall be excused from related discussion or other action on behalf of the Committee. The committee member may be excused either at the discretion of the President or at the request of the committee member.

29.4 The Chair of the Committee shall report to the Executive Council at least annually at regular spring meetings on the current state of issues before it, or report that no such issues exist.

29.5 The Chair of the Committee shall report to the President its recommendations on any specific issue in writing within one year from the date on which the issue was referred to the Committee. The President shall then request approval of the recommendations at the next regular meeting of the Executive Council. If approved, the parties shall be informed of the decision of the Executive Council and any actions to be taken. The Society should not entertain an appeal of an approved decision unless significant new information warrants it.

Note: Recommended procedures that should be followed in an attempt to resolve an ethical issue or grievance can be found on the Society website.
31. FINANCE COMMITTEE

31.1 Charged with the responsibility of making recommendations to the Executive Council on long-term (greater than one fiscal year) financial decisions. The Executive Council is responsible for the long-term financial viability of the ASA.

31.2 Reporting through the Administrative Council on Financial Affairs, the purpose of the Finance Committee is to develop a strategy for making long-term financial decisions that are aligned with the strategic direction of the Society, develop a multi-year budgeting methodology that forecasts future financial needs, track and review progress toward achieving budgetary goals, adapt the budgeting strategy based on trends and emerging needs, suggest spending strategies for the ASA's reserves, and identify needs for new sources of revenue.

31.3 The Finance Committee shall have up to seven members, including the Chair, who will serve three-year terms. The Committee will convene as needed, but at least twice a year, during the spring and fall ASA meetings. The Treasurer shall be an ex-officio, voting member of the committee and the Chairs of the Investments Committee and the Acoustical Society Foundation Board are ex-officio members of the committee without vote. ASA Headquarters and accountants will be a resource for the Committee.

**Subcommittee for Jams.**

The Subcommittee for ASA Jams is charged with organizing the Jams at ASA meetings in coordination with the local committees. This includes being responsible for handling all details for arranging for players, providing equipment, either by rental or loan, negotiating and making final arrangements with equipment providers for rental, delivery, set-up, tear-down, and move-out of equipment, arranging for payments to vendors, and coordinating with the local committee the locations for the Jams.

If a Jam will be held in a hotel meeting room, the Jams Subcommittee will coordinate with the local committee to select an appropriate room in the hotel for the Jam, arrange for access by the vendor to the hotel, and arrange for the use of hotel loading dock and delivery elevators for the move-in and move-out. Members of the local committee will make any necessary on-site visits.

The subcommittee will also coordinate with the local committee for advertising the Jam in the Call for Papers and any arrangements for food and beverages. The Subcommittee will recommend an annual budget for the Jams.

Subha Maruvada
Robert D. White
William A. Yost

Ex officio:
Ann R. Bradlow, Vice President
Susan E. Fox, Executive Director
Stephen J. Lind, Standards Director
Peggy B. Nelson, Past President

42. PANEL ON PUBLIC POLICY
42.1 Charged with the responsibility to represent the interests of the general public on matters of public policy related to acoustics and the advancement of science.

42.2 Composed of the Chair and a maximum of fourteen other members. Panel members will normally be members of the ASA and shall be appointed for renewable terms of three years upon recommendation made by the Chair of the Panel on Public Policy in consultation with the Chairs of the Technical Committees. The Panel shall reflect a diversity of technical areas within ASA, with no Technical Committee or other ASA constituency holding a majority vote of the whole. The Executive Director, Vice President, immediate Past President, and Standards Director shall serve as non-voting ex-officio members of the Panel. The Chair shall have been a member of the Panel for at least one year prior to his/her appointment as Chair and shall be appointed for renewable terms of 3 years.

42.3 Subcommittees shall be established as needed to focus on particular issues. Chairs of subcommittees shall be appointed by the President, upon nomination by the Chair of the Panel on Public Policy, for indefinite terms to be determined by the nature of the policy under consideration. The Chair of the Panel shall review the status of subcommittees on an annual basis and make recommendations to the President for renewal or termination of each subcommittee for the next year.

42.4 Members of subcommittees may be appointed for indefinite terms by the President upon nomination by the Chair of the Panel on Public Policy in consultation with the Chairs of appropriate Technical Committees. The Chair of the Panel on Public Policy, in consultation with the Chair of each subcommittee, shall review membership of the subcommittee on an annual basis and make recommendations to the President for reappointment of members. Members of subcommittees are not required to be members of ASA.

42.5 The Panel on Public Policy, in consultation with the Chairs of the subcommittees, will submit all products and recommendations (e.g., policy statements, reports, studies) to the Executive Council for approval prior to release to the general public.

42.6 The Panel on Public Policy, upon the request of the President, may consider statements of public policy put before it and make recommendations to the President of support or lack of support of that policy as determined by majority vote of the Panel members.

42.7 The Chair of the Panel on Public Policy, or specified proxy will report activities to the Executive Council at each meeting of the Society.

41. COMMITTEE ON PRIZES AND SPECIAL FELLOWSHIPS
41.1 Charged with reviewing candidates for the F.V. Hunt Postdoctoral Research Fellowship in Acoustics, the James E. West Fellowship Minority Fellowship, and such other stipend-bearing fellowships and scholarships as may be established by the Executive Council; with performing other activities related to these fellowships and scholarships, and with making recommendations to the Executive Council. The recipient of each of these fellowships and scholarships, with the exception of the Robert W. Young Undergraduate Award, shall be approved by the Executive Council.

41.1.1 The proposed recipients of certain awards of the Society are reported to the Executive Council for approval through the Chair of the Committee, even though the Committee is not involved in the evaluation of their nominations or applications. Candidates for each of these awards are reviewed by a subcommittee in the specific technical or activity area that is involved.

41.2 Composed of six Fellows of the Society. The Chair should have served as a member of the Committee for at least one year, and is appointed for a two-year renewable term. Members of the Committee should be familiar with more than one technical area of acoustics in order to provide the maximum possible coverage of technical interests.

41.3 Upon request by the Chair of the Acoustical Society Foundation Board, the President may appoint the Chair of the Committee to participate, without vote, in Foundation Board discussions of the purpose and acceptability of a restricted gift being offered to the Society.

Note: Detailed Committee procedures are available from the office of the Society.

45. COMMITTEE ON REGIONAL AND STUDENT CHAPTERS
45.1 The Committee on Regional and Student Chapters is charged with promoting the formation and growth of Chapters, and providing liaison among the chapters and the Society’s office for the exchange of information on matters of interest to the chapters.

45.2 The committee shall be composed of the Chair(s), one representative of each Chapter elected by the Chapter, and as ex-officio members, the Chair of the Committee on Education in Acoustics, and a representative from the Student Council.

45.3 Regular meetings of the committee shall be concurrent and collocated with the national meetings of the Society.

45.4 Each Regional or Student Chapter operates according to general Rules pertaining to all Regional or Student Chapters, and derives benefits from its affiliation with the Society.

45.4.1 A new Chapter may be formed by petitioning the Executive Council, via the Committee on Regional and Student Chapters, to authorize a Chapter. [Detailed information on establishing a new chapter is provided in a “Regional and Student Chapter Start-Up Kit” available on the Society’s website.]

45.4.1 Petition. The petition shall state the name of the Chapter, describe the city, state or geographical area to be encompassed, and include a statement that the Society-approved model Charter and Bylaws were approved at an organizing meeting of the Chapter, giving the date. The petition shall be accompanied by a copy of the Charter and Bylaws, a list of initial officers, a list of initial members, a list of those attending the organizing meeting and other documentation.

45.5 A Chapter may be deactivated by:
   a. Chapter petition to the Executive Council, via the Committee on Regional and Student Chapters. Such petition shall have been approved by a two-thirds majority vote of the members who are also members of the Society. The vote may be in person or by mail ballot or by email ballot.

   b. By action of the Executive Council upon evidence of a prolonged period of inactivity, as shown by:
      1. Less than the required minimum of Chapter or Society members (See § 45.4).
      2. Lack of correspondence with the Society including Annual Status Reports
      3. Lack of two technical chapter meetings per year
      4. Continuing absence of a representative of the Chapter at meetings of the Committee on Regional and Student Chapters.

The chair(s) of the Committee on Regional and Student Chapters shall attempt to contact the most recently known officers of the Chapter in order to determine if there are circumstances that mitigate against deactivation. The Treasurer or other officer of a deactivated Chapter shall contact the Society’s Headquarters Office to handle details of the transfer of funds to the Society.

[For information about chapter funding and operations see Appendix D of these Rules.]

48. STUDENT COUNCIL
48.1 Charged with promoting the interests of student members of the Society.

48.2 Members of the Student Council are generally appointed for terms to include four bi-annual meetings. Term start and end dates will be assigned to technical committees so that no more than four technical committees will change their representatives at the close of any Society meeting.

48.3 Solicitation of applications for open positions on the Student Council are advertised each year in January for all positions to be filled in that year, regardless of term start dates. Evaluation of applications and recommendations for appointments of Student Council representatives are conducted following the established procedures. (Procedures are available from the ASA Melville office).

48.4 If a Student Council member is unable to attend a meeting during his or her term, or a vacancy occurs on the Student Council, the position will be filled by appointment by the President in consultation with the chair of the Student Council and the chair of the relevant Technical Committee.

48.5 The Council consists of a Chair and one member representing each technical committee. Each Council representative is an ex-officio member of the relevant technical committee, and reports on student activities as appropriate. The Student Council shall elect one of its members to be recommended to the President to be appointed as the Chair. The Council shall select one of its members to serve as a non-voting member on each of the following committees: Committee on Regional and Student Chapters (see § 45.2), Committee on Women in Acoustics (see § 51.2), and the Steering Committee of the College of Fellows (see § 30.3).

48.6 Activities of the Student Council include providing support to student members of the Society by disseminating Information via a website or other means, advocating participation of students in Society activities and meetings, and promoting the benefits of membership in the Society among potential members.

Acoustical Society of America
Conflict of Interest Policy

Background

This document outlines the Acoustical Society of America’s (ASA) conflict of interest policy related to the members (directors) of the Executive Council. It is not the intent of this policy to eliminate all situations which may give rise to a conflict of interest, but rather to enable directors to recognize situations that may create a conflict of interest and therefore to ensure that such situations are properly disclosed.

Statement of Policy

No director shall use his or her position, or the knowledge gained therefrom, in such a manner that a conflict arises between the interest of ASA and his or her personal interests, or the interests of other organizations.

Each director has a duty to place the interest of the ASA foremost in any dealings with ASA, and has a continuing responsibility to comply with the requirements of this policy.

If a director has an interest in: 1) a proposed transaction with ASA in the form of a significant personal financial interest in the transaction, or 2) any organization involved in such a transaction, or 3) holds a position of trustee, director, or officer in such an organization; then he or she must make full disclosure of such an interest before any discussion or negotiation of such transaction, and shall abstain from any vote in connection with the matter.

Disclosure

To implement this policy, directors of ASA will submit reports annually on the attached form. From this information a list of those organizations which members of the Executive Council officially serve on will be distributed annually to all members of the Council. In addition, if such information has not been previously disclosed, members will make disclosures before any relevant board or committee action is carried out.

Adopted by the Executive Council on June 4th, 2001, modified December 3rd, 2001
**Annual Disclosure**

I have read ASA’s statement of Conflict of Interest Policy.

I hold the position of trustee, board member, director, officer, employee or serve as an editor for the following organizations which potentially could cause a conflict of interest with my position on the Executive Council of the Acoustical Society of America:

</tbody>
</table>

To the best of my knowledge and belief, except as disclosed herewith, neither I nor any person with whom I have or had a personal business relationship, is engaged in any transaction or activity or has any relationship that may represent a potential competing or conflicting interest, as defined in the statement of the **Conflict of Interest Policy**.

Further, to the best of my knowledge and belief, except as disclosed herewith, neither I nor any person with whom I have had a personal, business or compensated professional relationship, intends to engage in any transaction, to acquire any interest in any organization or entity, or to become the recipient of any substantial gifts or favors that might be covered by the statement of

**Conflict of Interest Policy**

ASA Purchase Request Policies and Information

This form must be completed and submitted to the ASA Melville Office by the Chair of an ASA committee that has been authorized by the Executive Council to purchase items to be used in connection with ASA initiatives, programs, and meetings. Typically these purchases will be authorized by the Executive Council at meetings of the Society via requests made by one of the four Administrative Councils.

No one may purchase any items or services directly nor may they enter into any agreements or contracts for services to be provided to ASA. Items should not be purchased using personal credit cards. All purchases must be made through the ASA Melville Office.

Please complete this form and send it to the ASA office at asa@acousticalsociety.org as early as possible before the items are needed.

ASA staff will contact you before orders are placed to insure that the desired items are ordered.
